

HR & You: The Perfect Partnership

If only one word could be used to describe the primary activity of business in North Carolina, it would be "change": It is the only thing that we can count on in our workplaces today. Come spend the day with human resources professionals and other business owners and learn about ways you can make your workplace a better place for your employees. We are very fortunate to have five dynamic speakers who have agreed to come and share their knowledge on topics important to all of us in North Carolina. In addition to the formal program, be prepared for some surprises too!

CRSHRM Gives Back!

- You will have the chance to bid on many fabulous items donated by local businesses. All proceeds will be given to Cabarrus Literacy Council, Goodwill Industries, and United Way to benefit Cabarrus County.
- We will also have a 50/50 Raffle to benefit the SHRM Foundation.
- Don't forget your checkbook! Cash and major credit cards also accepted.
- We will be collecting school supplies to help local schools assist students as they return to class!
